Reasons for Allowance

Continued Examination Under 37 CFR 1.114

A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after final rejection. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, the finality of the previous Office action has been withdrawn pursuant to 37 CFR 1.114. Applicant's submission filed on August 26, 2004 has been entered.

Allowable Subject Matter

Claims 1, 3-9, 11-13 and 15-21 are allowed over the prior art of record.

The following is an examiner's statement of reasons for allowance: while the prior art of record teaches of network games in which players receive awards for recruiting non-member players and virtual company games in which players can be enrolled in the company based on passing an employment test ("Contents"), the prior art of record lacks in teaching or suggesting a network game in which the non-member is considered to have passed an employment test when recruiting information has been sent to the non-member and if recruiting information has not been sent, it is determined whether or not the non-member player passes or fails the employment test. The "Contents" reference requires all players to pass the test to enroll in the

game and does not provide an opportunity to consider the test passed in response to recruiting information.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Response to Amendment

It has been noted that claims 1, 9, 13 and 20 have been amended. Claims 22 and 23 have been cancelled.

Response to Arguments

Applicant's arguments, see arguments, filed July 6, 2004, with respect to the 35 U.S.C. 112 rejection has been fully considered and are persuasive. The 35 U.S.C. 112 rejection of the claims has been withdrawn due to the amended claim language.
